

Medicare Open Enrollment & MMAP

Each year, Medicare fall open enrollment begins on **October 15** and ends on **December 7**.

During this period, those age 65 and older or

disabled who have enrolled in a Medicare plan can join, switch, or drop a plan. Coverage will then begin in January, assuming a plan request is made before the end of the open enrollment period.

When it comes to Medicare, the Michigan Medicare/Medicaid Assistance Program (MMAP) is available to help take the confusion out of your Medicare options. The Senior Alliance is here to help.
