

2022 Year in Review

The Senior Alliance had an incredibly successful year in 2022.

Here's a bit of what we did:

We provided assistance to nearly 3,000 older adults through our in-home programs.

We made nearly 15,000 callers aware of resources available to them from our Information and Assistance Specialists.

Our Friendly Reassurance program reached 291 older adults to make sure they had the support and connection they need. **And more!**

To get more information about our impact last year and to read several of our success stories in the words of our staff, check out latest blog post.
