

After the Diagnosis: How to Navigate Medicare and Long-Term Care Decisions

After a loved one is diagnosed with a serious condition --whether it's Alzheimer's disease, a stroke, Parkinson's, cancer, or another serious illness or medical condition-- it can feel overwhelming.

While you're still processing the consequential news, your next step is to consider decision-making, Medicare coverage, and long-term care planning.

To support you, we've outlined key considerations to help you and your family navigate Medicare and long-term care decisions after a diagnosis. Through MI Options, The Senior Alliance offers free, unbiased support to help you understand your options and plan for what comes next. You don't have to face this alone.
